Dear Layton Marathoners,

Welcome to the 7th Annual Layton Marathon, the only World Record Course in Utah and a Boston Qualifier.

This race is chip timed and the timing chips are on the back of the bibs. We ask that all runners wear their bibs of the front so the readers will be able to pick up their results more accurately. Chips should not be bent on the back of your bib. Something runners should know about timing chips is that they will pickup as you get close to the starting line. If you plan to hang back for a longer chip read we recommend that you hang back more than 20 yards so it does not give you a false start. We have some each race that think they will not click until they step over the start and just stand there. That is not how the technology works.

The Half and Full have bused out starts for the race. We strongly suggest that you are no less than 20 minutes prior to your bus leave time. Often runners can be late on race day due to traffic or other issues and have them miss their bus. Only those on the bus will be able to run. We do not allow cars on the island prior to race day.

Packet Pickup will be at Friday October 7, 2016 from 4:00PM-7:30PM at Young Chevrolet in Layton 645 N. Main Street. We hope you use this one unless you have to use the race day packet pickup. Many first timers try to use race day packet pickup and it can be already a crazy morning and adding getting your packet to your stress is not always a good plan. We do allow others to pickup others packets if they have some form of permission from them. If you are picking up someone elses packet and racing with it please let us know. It hurts the results to have racers that registered in the womens 65-69 category and a male 31 runs with that bib number. If you change distances from the full to the half or half to 10 or 5Ks please let us know as well. We disqualify runners who do this and not let us know because it messes up the results on those times. We allow it freely but please help us put the correct people on the podium.

The weather forecast for Saturday is a high of 72 degrees with clear skies. Though the conditions are ideal for racing the start of the race has a low of 45 degrees. We do a bag drop at the starts. We ask that you do not put expensive items like GPS units, \$90 jackets or sentimental items in these bags. We recommend using items you bought at a thrift store. Though we get these items back to you these bags are exposed to other runners and are loaded in the back of truck. It is never smart to put something that you must get back in a bag like this.

This race is looking awesome and we are glad you are racing with us and hope you have a great day at the Layton Marathon.

Thanks for Racing,

Joe Coles – Race Director On Hill Events

Course Maps

Full Course

Runners will start on Antelope Island and run North 10 miles to the causeway then go East 7 miles across the causeway to the first right then continue to make right turns to Gentile and head east again. At 3200 South head North to Gordon then go East again until you get to Cold Creek Way and turn right. The

finish is on Cold Creek Way.

Half Course is exactly the same as the full however it is at the Half way point on the course. The starting location is just East of the Marina at Antelope Island and it finishes at the same location.

The 10K/5K course is an out and back course for this race. They start at the Full/Half finish on Cold Creek and run the course back wards (10K 3.1 miles out and back for 6.2 miles) (5K 1.55 miles out and back for 3.1 miles)
